Statement of the Substance of Interview

To comply with MPEP Section 713.04, Applicant submits recordation of the substance of the interview conducted 2012-08-03:

Applicant has agreed not to record the meeting.

Applicant has explained he would withdraw those amendments that had not been entered, in order to be able to proceed with a substitute specification.

Examiner has explained only clarifications would be accepted in an amendment, no new subject matter.

Examiner and Applicant have discussed options how to make claims recite hardware in a manner to overcome 35 USC § 101 rejections.

Respectfully submitted,

/Leo Baschy/
